

LATITUDE™ I 30

Battery Powered LATITUDE™ Backpack Vacuums (Cordless) Now with 2 Speed Motor

Cordless operation improves productivity over 50% making it excellent for daytime cleaning and perfect for congested or occupied public areas.

Key Features

- At only 15lb, it is compact, comfortable and the lightest unit on the market
- **75 minute run time** with consistent power throughout the entire discharge
- Noise level of only **45 dB(A)** is excellent for daytime cleaning or cleaning occupied areas
- Adjustable back support and waist and shoulder straps are designed to minimize operator fatigue
- Cordless operation eliminates accidents, such as tripping, commonly associated with power cords
- 1.5 gallon tank provides plenty of capacity
- Superior soil recovery prolongs your carpets' life
- Motor life in excess of 2,800 hours and backed by an industry leading 5 year commercial warranty
- 36 V lithium ion battery charges in only 2.5 hours and is interchangeable with all NaceCare commercial battery vacuums
- Patented tank designed to ensure suction is never lost regardless of how full the bag is
- Power switch and battery status gauge are conveniently located on a short cord that stores on the belt
- 99.97% efficiency improves indoor air quality and reduces dust
- Specially designed floor tools support "back and forth" or "side to side" cleaning
- Stainless steel telescopic wand is standard

RBV I30

Lithium ion batteries

MODEL

RBV I30

Motor / Life

250 W, 1 stage, 2,800+ hours

Run Time

75 min. low / 55 min. high

Charge Time

2.5 hours

Water Lift

55"

Airflow

50 cfm

Filtration*

99.97% efficiency @ 0.3 micron

Capacity

1.5 gal.

Weight

15 lb

Noise Level

45 dB(A)

Working Capacity

15,000 sq. ft. / hr.

* Meets HEPA spec for non-hazardous recovery and exceeds LEED-EB spec
